**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been with Sonic since 2003 as a web host for my business, and now, additionally DSL service for my home.

Why have I been with them for so long? Because they have given me, not only excellent internet service, but because there is none better than their tech service department.

I'm SO happy I don't have to use Comcast or AT&T! As a small business owner, it is very satisfying to be able to support a local business that gives excellent service.

Sonic is excellent in all respects, including being priced competitively.
